**Saddle Creek Pavilion**

Our annual Spring Clean Up is a huge success for the neighborhood. Again this year the HOA has secured three roll-off dumpsters for use by our Saddle Creek Homeowners to dispose of those unwanted items. Our annual Spring Clean Up will coincide with “The Big Event” again this year. Please no large green waste, such as tree branches, or [household hazardous waste](#). Twin Oaks will have a FREE HHW collection event in April.

- Do not fill higher than the top of the dumpster.
- Do not stack items next to the dumpsters when full.
